## BASKETBALL SEASON IN WITH A BANG

### EPHS WINS FROM PHOENIX

The basketball season swung into full stride Tuesday night with the local boys taking both games of a double header from Phoenix. The first team won 34-22 and the second string won 22-6. This is a first of a series of preconference practice games which will see the locals tangle with the Medford Sophomores, the Ashland Hi Cubs, and a return game with Phoenix.

The game was fast and rough with many fouls being called on both sides. Harnish was high point man, caging 15 points with Cleve, Haight, and DeHack turning in some classy floor work to assist him. Team play as a whole was fast but ragged, showing much room for improvement especially in the scoring department.

The substituting resembled the closing minutus of a college football game with entirely new teams hitting the floor every quarter and others always coming and going. Twenty men will be seen in action in every game is

### STUDENTS HOLD MEETING

Students in regular meeting on Monday, Dec 11 voted to issue season tickets for the price of one dollar. This ticket entitles the buyer to attend all home basketball and baseball games this school year. Jessie Beaulieu and Mary Harnish were chosen yell queens. A sample of their good work was seen and heard last Tuesday night at the game.

### GREENS SWAMP GOLDS

Mary Harnish and her Greenies swamped the Gold meanies by a 29-11 dollar score in an overtime period in a local magazine selling contest. Mary, as captain, turned in the high individual score to gain the special salesmanship award. Clever footwork and mouthwork characterized the success of the winning team.

Individuals are to receive prizes for their work, the Student Body is to profit about forty percent of the total sales, and the winning team gets a party at the expense of the losers.

The Eagle's Quill is a student publication, printed semi-monthly by the students of the Eagle Point Schools. The subscription rate is twenty cents a semester or thirty-five cents per year.

Our policy for this year will be: to serve our readers with an accurate account of activities and happenings in our school and community and, by so doing to make friends, to give publicity to students who achieve and, at the same time, to serve as an outlet for student talent.

## YES, THERE IS A SANTA CLAUS

Did you know that it's about time for Santa Claus again? Can't you just feel him all around you? He's in every thoughtful act you perform, in every tiny present you'll give with an unselfish motive; he's most surely close to cheerful people. You can't see this Santa, you just have to get in the mood and poof!-he'll come to you: the spirit of Christmas, which is "Peace on Earth, Good will toward men."

This old man of the holiday season doesn't think much about what he'll get for Christmas. Those who possess this spirit are just like this Old St. Nick--they give for the sheer pleasure and joy of giving. The thoughts of what the net returns will be, never even enter in. On the con-

# JUNIORS

Hello, here are the important Seniors. How are you all coming with the flu? I'm happy to say our glass is all back and rarin' to go.

Our Sociology class has been studying crime and criminals for the past week, and I believe it has aroused more interest than any of our previous subjects. By the way we have almost finished our Sociology text books, then come reports, research and headaches.

We have started writing themes in Senior English. Our first subject is various arguments. This should be easy for some of the students, as they seem to enjoy arguing.

Quite a few of our class boys are on the basket ball team this year. Go to it boys and let's see how many games you can win!

Well, I guess this is all for now. But we'll be back next issue. So long until then. C.T. & D.B.

### E.P.H.S. LOSES PRACTICE GAME

Eagle Point dropped a game to the students of the S.O.C.E. of Ashland on Nov. 30.

The opponents made most of the points in the first three quarters. They played zona defense. In the last quarter the local boys ran the score from 15 to 27 and the opponents only scored seven points. The Southern Oregon boys seemed to be tired in the last quarter of play.

All of the Eagle Point players were used. Dahack was high point man for Eagle Point, and Darrel for the College boys.

December 22nd is a day we all like to see arrive. It is the shortest day of the year.

The Juniors have been studying too hard lately to do anything exciting enough to be written about in the paper, or, maybe the news reporter hasn't been doing her duty as well as she should have.

Five of the Junior girls, Bea, Martha, Lucile, Jean, and Audrey, are getting worried about the play the G.A.A. is giving next week. The boys are doing their best to keep their grades up so they will be eligible for basketball.

Worry seems to be getting to be a habit with the Juniors; mid-year is going to be here pretty soon and no one has thought of a way to earn money. It looks as if we are going to have to sell candy after all. Barn it! Say, wouldn't Eddie look cute selling candy?

G.A.A. play--Wednesday night.

# THE SOPHMORES

Not all of the Sophmores have fully recovered from the flu yet. The missing ones are Marlene Hasleton, Dale Huskins, Wayne Jackson, and Alan Bradford. Gus Carlson appeared this morning from a week of illness.

We notice that the freshmen are acting rather "fresh". Maybe they need another initiation. If that's what they want we sophmores are just the ones to give it to them.

Our blue report card students this six weeks were Joyce Criscom, Marlene Hasleton, and Dale Huskins. There weren't so many yellow ones, but more white ones. We either studied harder or are getting smarter.

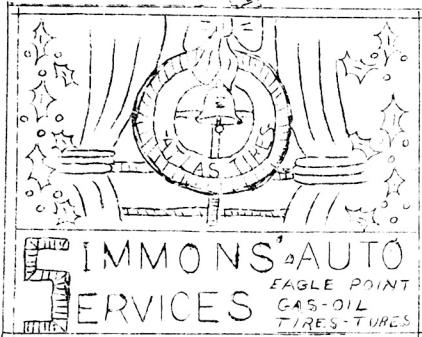

If you happen to notice the green plants in the Lab, it is the sophmores to whom the credit is due.

News

Some of the freshmen group put on a short program for the P.T.A. last Friday afternoon. Dorothy and Audrey demonstrated making hydrogen, followed by a short play. The leading characters were Lowell Edwards, Doctor Cure All; Harry Hanscom as Chief Pow-Wow; and Sammy Coy playing the part of "Samson the strong man." After this, there was a demonstration on making carbon dioxide by Bonnie and Leilla, followed by a few stunts by Francis and Leslie.

We are glad to have most of our students back that were on the sick list. A few are out yet.

Six of our freshmen girls are drawing advertisements for the newspaper.

# MUSIC

Our Band has a new member in the person of Leilla McGraw, who is taking up the Snare drum and plays along the side of Mary Harnish, our new bass drummer.

Out of receipts from the Minstrel show and concert, our Band has ordered and paid for a Drum Majors Baton, and an instruction book in baton twirling. A class in twirling will be organized on their arrival. Those aspiring to become Drum Majors should see Mr. Millard.

The School Musician, the country's largest exclusive school Music Magazine is to be added to our School Library beginning with the December issue. It is a magazine all school musicians will want to read.

Our Band group will assist Gold Hill High in presenting a Minstrel Show and Concert in Gold Hill about February first. Mr.

Millard, who is instructor of Music in Gold Hill, will direct.

After paying for our old set of Band Folios and buying a brand-new set (which we are anxiously waiting to arrive), buying a drum majors baton and instruction book, subscribing for the School Musician, and paying two dollars out for incidental expenses, there was about eight dollars left to be turned over to the Student Body fund.

A Musical Motto: "Sometimes sharp, seldom flat, always natural".

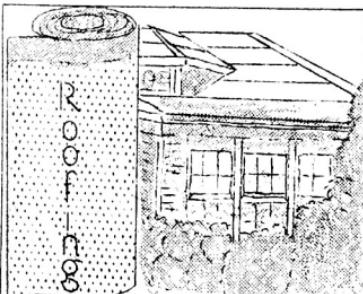

## ATTENTION SANTA

## PERSONALS

We are glad to hear that Mrs. Warren Conley (formerly Evelyn Jack) is a proud mother of a baby girl. The name is to be Sandra Lee.

Jean Holmes and Lucille Vieux were guests of Jessie Beaulieu Tuesday evening.

Mr. and Mrs. Els Stewo and daughter Bonnie of Butte Falls spent Saturday night with Mrs. Lottie Van Scoy of Eagle Point.

The National Guard hike to Roxy Ann was postponed on account of rain. David Hannaford, George Peachy, and Eddie Crandall were very much disappointed.

Jessie Beaulieu enjoyed the movie, "Mr. Smith Goes to Washington," Saturday night.

Elmer Harnish, Sammy Coy, and Quenton Lewis took time off from listening to football Saturday evening to go to the show.

The G.A.A. Girls have been enjoying the evening play practices. The play will be given December the twentieth.

Mae Putman, Francis Davidson, and Audrey Knighton had a pleasant evening at the Oasis Saturday night.
